

To My Distinguished Artist,

Greetings from the Lake Chelan Arts Council.

We look forward to another successful Creative Arts Festival, August 18th and 19th, 2018. Each festival brings with it new drama and surprises, and some of the most creative people around. You are receiving this letter because we feel that you are one of those creative people and we would be honored to have you share in all the excitement. We love planning this event for our community, but it would be nothing without your participation.

You have many choices for Art Festivals and we certainly respect that, but want you to know that this is one of the busiest week-ends in Lake Chelan. The weather is wonderful, of course, but the 3 on 3 basketball tournament takes place and brings in families from all over the area. They often are looking for other activities to fill their extra time. Keep in mind that the hotel facilities are near capacity on this week-end.

We have many new volunteers this year and to make it easier for them, and keep them on board, we are making some special requests from our artist. Please plan early and help us make the most of that week-end. Advertising will begin soon.

So, on that note, we ask that you take a look at the application and fill it out as soon as you can. If you have a special booth or space that you would like, please send that in with your application and deposit so that we may honor your request. The sooner we receive your commitment, the better we can serve you. As always, contact us with any questions or concerns.

Thank you for your prompt attention. We wish you the best of the New Year and many days filled with art.

Respectfully,

*Ronna Currier*
